

Cherry Pop

EVENTS CODE OF ETHICS

Weddings and Events with Sass and Class

At Cherry Pop Events, we believe that every celebration should be as polished as a Cadillac and as personal as your grandmother's pearls. We deliver exceptional service with heart, humor, and a little hip wiggle. This Code of Ethics keeps us shining bright, sugar — because doing business right never goes out of style.

Integrity with a Wink

We tell it like it is, doll- no smoke, no mirrors, no hidden fees behind the tulle.

OUR RULE: If it won't make Lucille Ball proud, it doesn't make our to-do list.

Professionalism with Personality

We're pros, but we're not stiff suits.

OUR RULE: You can be fabulous and professional - in heels or flats.

Client Respect is Always En Vogue

Every client, no matter the budget or background, deserves our full attention, care, and respect.

OUR RULE: Every couple is the star of the show - we just make sure the spotlight hits right.

Collaboration without Competition

We treat vendors, venues, and creative partners like the dream team they are.

OUR RULE: We lift others up because a rising tide (or champagne glass) lifts all boats.

Confidentiality is Classy

What happens behind the sweetheart table stays behind the sweetheart table.

OUR RULE: Discretion never goes out of style.

Cherry Pop

EVENTS CODE OF ETHICS

Weddings and Events with Sass and Class

Inclusion is the New Black

We welcome all love stories, all families, and all celebrations.
OUR RULE: Love is love, baby. Everyone deserves to dance.

Sustainability with Sass

We aim for mindful planning — repurposing décor, reducing waste, and choosing vendors who care for the planet as much as their craft.
OUR RULE: Looking good should never come at the Earth's expense.

Accountability with a Smile

When something goes sideways (and sugar, it sometimes does), we own it, fix it, and keep it cute. No blame games, no excuses — just solutions and a steady hand with the sewing kit.
OUR RULE: Handle hiccups with humor and hustle.

Creativity with a Purpose

We design with flair, but never for show alone. Every choice — from flowers to floor plans — serves a function and enhances the experience. Trendy? Sure. Timeless? Always.
OUR RULE: If it doesn't serve the story, it's just background noise.

Always Leave Them Smiling

At the end of every Cherry Pop event, our goal is simple: happy clients, proud vendors, and a glowing review that could melt even the iciest Bridezilla heart.
OUR RULE: When the confetti settles, integrity and joy are what shine the brightest.

We don't just plan events — we create moments with sass, class, and zero stress. This Code of Ethics keeps us polished, principled, and oh-so-professional — because the Cherry Pop promise isn't just a tagline, darling... it's a way of life.
